

OCTOBER 19, 2016

New Model: Rancraft RC 28

Rancraft heads into the 2017 season with the new RC 28, an interesting sports cruiser which for its size offers quality interior and exterior spaces. Featuring an aggressive exterior profile and Rancraft's patented IGC stepped hull the RC 28 impresses for its exterior aft deck spaces which feature a C-shape dinette which can transform into a sun-pad, a chaise lounge and wet bar to port side, and helm station to starboard. Considering its exterior spaces the RC 28 will also offer an interior worthy of note with a V-shape dinette forward which converts to a double berth, separate shower head, and a small children double berth at midships. The RC28 also offers the option of a radar arch, and in the pipeline is also an outboard version.

Technical Data:

LOA - 8.55 m (28ft)
